

Hit The Wall
The Script

Hi guys, a lot of people have wanted the chords to this song by Danny from the script

so, here it is ! It sound better in barred chords which is why it is intermediate and I

play Em7 and Bm7 sometimes :)

Standard Tuning

NO CAPO

Hit The Wall

Intro- **Em - B**

Em B

She s putting on her make-up

Em B

She s careful to choose

Em B

Just the right colour

Em B

To cover the bruise

Em B

She s wants to keep it a secret

Em B

But her eyes tell it all (Yeah they tell it all)

Em B

And everyone will see it

Em B (down strum)

That this time didn t hit the wall, no

Em

Tonight when he comes home

B

He ll be on his own

B

All it took was once

Em

And now she s packed and gone

B

Better off alone, yeah

Em

And tonight he can go and break

B

All he wants to break

B

But it won t be her

Em

Coz there s one thing she won t take

B

She wasn t made to crawl

Em

Yeah tonight

B Em

He can only hit the wall

CONTINUES THE SAME :)

He told her he was sorry

And never again

He even brought her flowers

But it was over by then

She s wants to keep it a secret

But her eyes tell it all (Yeah they tell it all)

And everyone will see it

That this time didn t hit the wall, ow

Tonight when he comes home

He ll be on his own

All it took was once

And now she s packed and gone

Better off alone, yeah

And tonight he can go and break

All he wants to breack

But it won t be her

Coz there s one thing she won t take, no

She wasn t made to crawl

Yeah tonight

He can only hit the wall

Now let me break your heart, yeah

But it s not supposed to hurt, no

No one deserves those kinds of scars

Tonight when he comes home

He ll be on his own

All it took was once

And now she s packed and gone

Better off alone, yeah

Tonight he can go and break

All he wants to breack

But it won t be her

Coz there s one thing she won t take

She wasn t made to crawl

Yeah tonight (Woahhh, tonight)

Yeah tonight

He can only hit the wall
