G Em D
Neither one of us is getting outta here alive,
G Em D
Both of us are spinning and we wonâ€™t make it back in time,
G Em D
The whole world is blowing away, we just watch it pass us by,
G Em D
We re swept up off our feet when we meet in the northern sky,

Chorus:

G Em
We re thunder and lightning, caught in a war
D
Together we make the perfect storm
G Em
You re like the wind, I m like the rain,
D
Together we both make hurricanes

From everything we buried in the aftermath
G Em D

Swell like a supercell, raging getting louder and louder.
