The Script

This song was originally done by the script but there wasn't a tab so here it is now
notallthatevil

Am C F C (Basically plays the entire song except for the chorus.)

Am C F C
Sometimes we fall down and can't get back up

Am C F C
We're hiding behind skin that's too tough

Am C F C
How come we don't say I love you enough

Am C F C
Till it's too late, it's not too late

Am C F C
Our hearts are hungry for a food that won't come

Am C F C
We could make a feast from these crumbs

Am C F C
And we're all staring down the barrel of a gun

Am C F C
So if your life flashed before you, what would you wish you would've done

F G C/E F (Entire Chorus)
Yeah! gotta start
Looking at the hand of the time we've been given here
This is all we got and we gotta start thinkin' it
Every second counts on a clock that's tickin'

Gotta live like we're dying

We only got 86 400 seconds in a day
To turn it all around or throw it all away
We gotta tell 'em that we love 'em while we got the chance to say,
Gotta live like we're dying

(Continued after the jump)
Well if you plane fell out of the skies
Who would you call with your last goodbyes
Should be so careful who we live out of our lives
So when we long for absolution, there'll be no one on the line

Yeah! we gotta start lookin' at the hand of the time we've been given here
This all we got and we gotta start thinkin' it
Every second count on a clock that's tickin'

Gotta live like weâ€™re dying

We only got 86 400 seconds in a day
to turn it all around or throw it all away
We gotta tell â€™em that we love â€™em while we got the chance to say,
Gotta live like weâ€™re dying

Like weâ€™re dying ohâ€|
Like weâ€™re dying
Like weâ€™re dying ohâ€|
Like weâ€™re dying

We only got 86 400 seconds in a day
to turn it all around or throw it all away
We gotta tell â€™em that we love â€™em while we got the chance to say,
Gotta live like weâ€™re dying

You never know a good thing until itâ€™s gone
you never see a crash until its head on
All these people right when weâ€™re dead wrong,
You never know a good thing till itâ€™s gone

Yeahâ€| we gotta start lookinâ€™ at the hand of the time weâ€™ve been given here
this all we got and we gotta start thinkin it
Every second count on a clock thatâ€™s tickin
Gotta live like weâ€™re dying

We only got 86 400 seconds in a day
to turn it all around or throw it all away
We gotta tell â€™em that we love â€™em while we got the chance to say,
Gotta live like weâ€™re dying

Like weâ€™re dying ohâ€|
Like weâ€™re dying
Like weâ€™re dying ohâ€|
Like weâ€™re dying

We only got 86 400 seconds in a day
to turn it all around or throw it all away
We gotta tell â€™em that we love â€™em while we got the chance to say,
Gotta live like weâ€™re dying
