Am C F C (Basically plays the entire song except for the chorus.)

Am C F C
Sometimes we fall down and canâ€™t get back up
Am C F C
Weâ€™re hiding behind skin thatâ€™s too tough
Am C F C
How come we donâ€™t say I love you enough
Am C F C
Till itâ€™s too late, itâ€™s not too late

Am C F C
Our hearts are hungry for a food that wonâ€™t come
Am C F C
We could make a feast from these crumbs
Am C F C
And weâ€™re all staring down the barrel of a gun
Am C F C
So if your life flashed before you, what would you wish you wouldâ€™ve done

F G C/E F (Entire Chorus)
Yeahâ€¦ gotta start
Looking at the hand of the time weâ€™ve been given here
This is all we got and we gotta start thinkinâ€™ it
Every second counts on a clock thatâ€™s tickin

Gotta live like weâ€™re dying

We only got 86 400 seconds in a day
To turn it all around or throw it all away
We gotta tell â€˜em that we love â€˜em while we got the chance to say,
Gotta live like weâ€™re dying

(Continued after the jump)
Well if you plane fell out of the skies
Who would you call with your last goodbyes
Should be so careful who we live out of our lives
So when we long for absolution, thereâ€™ll be no one on the line

Yeahâ€¦ we gotta start lookinâ€™ at the hand of the time weâ€™ve been given here
This all we got and we gotta start thinkin it
Every second count on a clock thatâ€™s tickin

Gotta live like we're dying

We only got 86 400 seconds in a day
to turn it all around or throw it all away
We gotta tell 'em that we love 'em while we got the chance to say,
Gotta live like we're dying

Like we're dying oh…
Like we're dying
Like we're dying oh…
Like we're dying

We only got 86 400 seconds in a day
to turn it all around or throw it all away
We gotta tell 'em that we love 'em while we got the chance to say,
Gotta live like we're dying

You never know a good thing until it's gone
you never see a crash until its head on
All these people right when we're dead wrong,
You never know a good thing till it's gone

Yeah… we gotta start lookin' at the hand of the time we've been given here
this all we got and we gotta start thinkin it
Every second count on a clock that's tickin
Gotta live like we're dying

We only got 86 400 seconds in a day
to turn it all around or throw it all away
We gotta tell 'em that we love 'em while we got the chance to say,
Gotta live like we're dying

Like we're dying oh…
Like we're dying
Like we're dying oh…
Like we're dying

We only got 86 400 seconds in a day
to turn it all around or throw it all away
We gotta tell 'em that we love 'em while we got the chance to say,
Gotta live like we're dying
