The Script

helloo :) hope you think this is right, because i do :D

Capo on the 2nd

[Verse]

Cadd9 **C**
Am I better off dead

Am **G**
Am I better off a quitter

Cadd9 **C**
They say I m better off now

Am **G**
Than i ever was with her

F **Am** **G**
As they take me to my local down the street

Em **F** **Am** **G**
I m smiling but I m dying trying not to drag my feet

Cadd9 **C** **Am** **G**
They say a few drinks will help me to forget her

Cadd9 **C** **Am** **G**
But after one too many I know that I m never

F **Am** **G**
Only they can see where this is gonna end

Em **F** **Am** **G**
But they all think I m crazy but to me it s perfect sense

[Chorus]

C
And my mates are all there trying to calm me down

G
Cause I m shouting your name all over town

Am

I m swearing if i go there now

F

I can change your mind turn it all around

C

And I know that I m drunk but I ll say the words

G

And she ll listen this time even though they re slurred

Am

Dial her number and confess to her

F

I m still in love but all i heard was nothing

Cadd9 C Am G

[Verse 2]

Cadd9 C Am G
So I stumble there, along the railings and the fences

Cadd9 C Am G
I know if I m face to face that she ll come to her senses

F Am G
Every drunk step i take leads me to her door

Em F
If she sees how much I m hurting

Am G
She ll take me back for sure

[Chorus]

C
And my mates are all there trying to calm me down

G
Cause I m shouting your name all over town

Am
I m swearing if i go there now

F
I can change your mind turn it all around

C

And I know that I m drunk but I ll say the words

G
And she ll listen this time even though they re slurred

Am
Dial her number and confess to her

F
I m still in love but all i heard was nothing

C

G
She said nothing

Am **F**
Oh I wanted words but all I heard was nothing

C
Oh I got nothing
Nothing

G
I got nothing
Nothing

Am **F**
Oh I wanted words but all I heard was nothing

[Bridge]

Em **F**

C
Oh sometimes love is intoxicating

Em **F**

C
Oh you re coming down your hands are shaking

Em **F**

C
When you realise there s no one waiting

Em **F**
