

You won't find heart and soul in the stars  
You can break everything down to chemicals  
but you can't explain a love like ours.

Ooohhhh  
It's the way we feel, yeah this is real.

Ooohhhh  
It's the way we feel, yeah this is real.

[Verse 2]

I tried pushing evolution  
as the obvious conclusion of the start.  
But it was for my own amusement  
saying love was an illusion of a hopeless heart.  
Of all of the things that she's ever said  
she goes and says something that knocks me dead.

[Chorus]

You won't find faith or hope down a telescope  
You won't find heart and soul in the stars  
You can break everything down to chemicals  
but you can't explain a love like ours.

ooohhhh  
it's the way we feel, yeah this is real.

ooohhhh  
it's the way we feel, yeah this is real.
