CAPO 5th FRET

[Verse]

G **D** **Em** (**Em7**)
I can feel the colour running
G **D** **Em** (**Em7**)
As it s running from my face
G **D** **Em** (**Em7**)
Try to speak but nothing s coming
G **D** **Em** **C**
Nothing I could say to make you stay

G **D** **Em** (**Em7**)
Grabbed your suitcase called a taxi
G **D** **Em** (**Em7**)
It s 3am now where you gonna go?
G **D** **Em** (**Em7**)
Gonna stay with friends in London
G **D** **Em** **C**
And that s all I get to know, woah

[Chorus]

G
Just a cigarette gone
D
No you couldn t be that far
Em
So I m driving in my car to where I hope you are
G **D**
Maybe I can talk you down
Em **Em7**
Maybe I can talk you down

[Verse]

G
We re standing on a tiny ledge
D
Before this goes over the edge
Em
Gonna use my heart and not my head
G **D**

And try to open up your eyes

C

This is relationship suicide
