

This Is Love
The Script

This = love - The Script

A beautiful song by The Script there is an other tab there but i belive it is wrong.

This is the best attempt i ve got, i think its all right.

Guitar 1 Plays for verse, chorus and outro but kinda play it in the chords for the chorus (use the bar chord for D)

```
|-----|
|-----7-----5-----7-----5-----5-----3-----5-----3-----|
|-----|
|-----|
|--5-5-----5-5-----2-2-----2-2-----|
|-----|
```

```
|-----|
|-----3-----2-----3-----2-----2-----0-----2-----0-----|
|-----|
|-----|
|--0-0-----0-0-----|
|-----0-0-----0-0-----|
```

(rap)

If you could be anywhere that you wanted to be

With anyone that you wanted to be with

Do anything that you wanted to do

What would it be and who would it be with you

Time flies but you're the pilot

It moves real fast but you're the driver

You may crash and burn sometimes

Guitar 1 plays tab and chords and guitar plays chords
