Jenny was a poor girl living in a rich world

**Em D**  
What about the junk head? Could have gone the whole way

Lighting up the stage trying to get a deal  
Now he s lighting up the wrong way, something for the pain  
Man, you wanna see this kid he was so fucking unreal

When he gets that call he s too far gone  
To get it together to sing one song  
They won t hear tonight.... the words of a lullaby

[Refrain]

Together we cry...  
Together we cry...  
Together we cry...  
Together we cry...

Em D Am Em

[Verse 3]

Oh, Mary s ambitious, she wanna be a politician  
She been dreaming about it since she was a girl  
She thought that she d be the one who could change the world  
Always trying to pave the way for women in a man s world  
But life happened, house, kids, two cars, husband hits the jar  
Cheques that don t go very far now  
Now she in it, can t change it, she keeps her mind on her wages  
The only rattling cages rile her, oh
