Chords used: **F# C# Ebm B E**

Intro: **F# C# Ebm B**

Verse 1:

F#

I ve been kicked right down
I ve been spat in the face
I ve been too weighed down
To the lowest place

C#

I ve been lied to, shamed to
I have been disgraced
Been ex-communicated from every holy place

Ebm

I ve been beat up and robbed
I ve been left for dead
For the way I look
For the things I said

B

When trouble thinks it s found us
The world falls down around us
I promise baby you won t ever
You won t ever feel a thing

Chorus:

F# C# E B x3

Cause I will take it on the chin
Eh, for you
So they re cuts and bruises over my skin
I promise you won t feel a thing

F# Ebm C#

Cause everything the world could throw
I ll stand in front. I ll take the blow for you.
For you.

Verse 2- Same as Verse 1

Chorus:

F# C# E B x3

Cause I will take it on the chin

Eh, for you

So they re cuts and bruises over my skin

I promise you won t feel a thing

F# Ebm C#

Cause everything the world could throw

I ll stand in front. I ll take the blow for you.

For you.

Bridge:

Em B

Yeah.

And if I fall here

At least you know my dear that I would die for you

Promise you won t ever feel a thing

If I fall here

At least you know my dear that I would die for you

Promise you won t ever feel a thing

Chorus:

F# C# E B x3

Cause I will take it on the chin

Eh, for you

So they re cuts and bruises over my skin

I promise you won t feel a thing

F# Ebm C#

Cause everything the world could throw

I ll stand in front. I ll take the blow for you.

For you.

Yeah everything the world could throw

I ll take the sticks, I ll take the stones for you

For you
