**The Seahorses**

The Seahorses-Boy In The Picture

**Gm6** 3X0330

Verse 1

**Bm**                    **F#**  
I asked the boy in the picture,  
**D**                    **E7**  
What could he see?  
**G**                    **F#7**  
He said it s been twenty long years but you,  
**Em7**                    **A**  
You still look like me.

Chorus

**D**  
If you find somebody that you need,  
**A**  
Go ahead and tell her, show her what you mean,  
**G**                    **Gm6**                    **D**                    **A G A**  
And soon you ll find, that love is blind and free.  
**D**  
If you see Sally and Smokey,  
**A**  
Say hello for me, tell em I hope they re happy,  
**G**                    **Gm6**                    **D**                    **A**  
Working the beach, just out of reach but free.

Verse 2

**Bm**                    **F#**  
I asked the boy in the picture,  
**D**                    **E7**  
Hows your brother been?  
**G**                    **F#7**                    **Em7**  
He said he s doing just fine although he s,  
                                 **A**  
Still a little too thin.

Chorus

**D**  
If you find somebody that you need,  
**A**  
Go ahead and tell her, show her what you mean,

**G**                                **Gm6**                                **D**                                **A**  
And soon you ll find, that love is blind and free.  
**D**  
If you see Sally and Smokey,  
**A**  
Say hello for me, tell em I hope they re happy,  
**G**                                **Gm6**                                **D**                                **A**  
Working the beach, just out of reach but free.

Outro

**Bm**                                **F#**  
And then the boy in the picture,  
**D**                                **E7**  
He asked me,  
**G**                                **F#7**  
Got any tips, where do I go wrong and,  
**Em7**                                **Em** **Bm** **F#7** **B7sus2**  
Who am I gonna beeeeeeeeeee.
