

Hello

The Seahorses

Ok, so this version has no lead bit like John Squire plays, but this is how I play this song on my acoustic guitar.

The chords G2 and B* are ones I don't know the names of, but they're accurate. They are:

G2	&	B*
E-3-		E-2-
B-3-		B-3-
G-0-		G-2-
D-0-		D-4-
A-2-		A-2-
E-2-		E-2-

HELLO

	G		G2		F
I	know	the	wind	and	the
			rain	and	the
			lightning		

	Em		C		
And	the	thunder	s	filled	my
			brain		

	C7		G		D
Have	I	changed?	I	m	asking
			you		

	G		G2		F
All	I	know	is	the	sun
			and	it	s
			shining		

	Em		C		C7		G
Way	above	my	cloud	so	high	it	can't
			be	found			

	D				
We	all	look	around		

			Am7		
For	the	times	we	left	behind

	C7				G
Oh	well	never	mind,	I	ll
			take	you	there
			tomorrow		

			Am7		C7
And	I	m	sorry	if	I
			seem	to	always
			vent	my	spleen

					G
It	s	not	the	path	I
			choose	to	follow...

	B*				
So	hello				

					G
And	I	hope	you	re	still
			my	friend	

			G2		
I	think	I	m	on	the
			mend		

	F		Em		C
--	----------	--	-----------	--	----------

And you know I don't mean to offend

C7 **G** **D**

I wish we all could fly

G **A** **F**

All I know is the sun and it's shining

Em **C**

Way above my cloud

C7 **G**

So high...it can't be found
