

Love Me And Leave Me

This song was written by Liam Gallagher and John Squire and is pretty tricky in certain places. However, it gets easier with a bit of practice.

This song has two guitars playing in it but I have just tabbed the dominant guitar parts (or should I say the only ones I know!!). The intro to this song is played on an electric with overdrive. However, the verses have a more cleaner sound and can be played on electric or acoustic guitars.
