

You Can Talk To Me
The Seahorses

You Can Talk to Me

Verse:

C **Em**
Don t you think that maybe I should slow down
Am **F**
I ve got so many things to say I have to write them down
Dm **G** **C** **C7**
I was feeling alone So I m on the phone to you

Bridge:

F **Fm** **C** **C/B** **Am**
Now that you re here, I hope that hearing all those words I say to you
F **G** **C**
I talked myself round, But won t you talk to me too

Chorus:

C **C7**
You can talk to me
F
anytime that you feel the pain
Fm
I ll take the strain
C **C7**
You can talk to me
F
Anytime I can help you out
Fm
Give me a shout
C **C/B** **Am** **F** **G**
You can talk to me, oh yeah

Verse:

C **Em**
Don t you think that maybe I should calm down
Am **F**
Sick of staring at these walls I m gonna kick em down
Dm **G**
I was feeling alone, Getting cold

Bridge 2:

C C/B Am

And I feel like a natural born killer

C C/B Am

Boring holes and cheap pollyfilla

C C/B Am

I ve got four and fifty dollars to ring ya

F

To tell you,

G C C7

Everything is alright

Chorus:

C C7

You can talk to me

F

anytime that you feel the pain

Fm

I ll take the strain

C C7

You can talk to me

F

Anytime I can help you out

Fm

Give me a shout

Outro:

C C/B Am

You can talk to me

F

Oh yeah-he-he

G

You know you know

C C/B Am

You can talk to me

F

Oh yeah-he-he

G

Well come on come on come on come on

C C/B Am

You can talk to me

F Fm

Any time I can help you out, give me a shout

C C/B Am

You can talk to me

F

Any time that you feel the pain

Fm

I can take the strain

You can talk to me

C, Bb, F, G (repeat)
