

Too Young
The Secret Handshake

D **A** **Bm**
The phone called ended in such a way
G **D**
That I wasn't sure just what to say
A **Bm**
Who to call, how to feel,
G **D** **A**
And wouldn't someone tell me, is this even real, oh
Bm **G**
I'm such a mess
D **A**
I'm such a wreck, oh
Bm **G**
I'm such a mess

G **D**
Cause there's some extra space,
A
On your floor next to your bed
G **D**
And if you let me stay so
A
I'll be there
G **D**
Cause in the night time when you're sleeping
A
I'll be there to say
G **D** **A**
That I loved you and I left you anyway
