

Too Young  
The Secret Handshake

**D** **A** **Bm**  
The phone called ended in such a way  
**G** **D**  
That I wasn't sure just what to say  
**A** **Bm**  
Who to call, how to feel,  
**G** **D** **A**  
And won't someone tell me, is this even real, oh  
**Bm** **G**  
I'm such a mess  
**D** **A**  
I'm such a wreck, oh  
**Bm** **G**  
I'm such a mess

**G** **D**  
Cause there's some extra space,  
**A**  
On your floor next to your bed  
**G** **D**  
And if you let me stay so  
**A**  
I'll be there  
**G** **D**  
Cause in the night time when your sleeping  
**A**  
I'll be there to say  
**G** **D** **A**  
That I loved you and I left you anyway
