Leave To Wonder
The September When

LEAVE TO WONDER

[**Em**][**G**][**D**][**Hm**] [**Em**][**G**][**D**][**Hm**]
The thought is m[Em]ine
I wish I w[**G**]as - I wish I w[**D**]as
[**Hm**]more outspoken[**Em**]
If I could sp[**G**]eak for myself
Write a l[**D**]etter
[Hm]It would be a poem[Em]
Now I m st[G]anding in the sh[D]adow
Of th[Hm]ose who stand in the light[Em]
I ve no regr[G]ets
It makes no s[D]ense
[**Hm**]Anymore
[**Em**]Princess[**G**]
Angel of d[D]arkness
I m g[Hm]uilty
[**Em**]Princ[**G**]ess
Angel of d[D]arkness
[Hm]Pray for me[Em]
I wish I w[G]as
I wish I w[D]as
[Hm]On the beat of the heart[Em]
I m not afr[G]aid
It makes no s[D]ense
[**Hm**]Anymore

[**Em**][**D**][**A**][**Em**]
I was st|anding
By the c[D]ash machine
And it s m[A]y card
You hear it s ch[Em]ewing
And a b|omb goes off
At the opposite c[D]orner
By the T[A]ower
And it s the r[Em]ush hour

I had no l[Am]uck
I wish I [C]was
I wish I [G]was
[Em]More outspoken
[Am]Now I m st[C]anding
In the sh[G]adow
Of th[Em]ose who stand
In the l|ight

[D][A][Em]
I heard l|ater
Some were cr[D]ushed by the crowd
I heard l[A]ater
As I was waiting f[Em]or her
And the m|ountain shook
And the mountain sh[D]ivered
It was p[A]ower
It was the f[Em]inal hour

[Am]I had no l[C]uck
I wish I [G]was
I wish I w[Em]as
On the beat of the heart
[Am]Now I m st[C]anding
In the sh[G]adow
Of th[Em]ose who stand
In the light[Am]
Princess
My Pr[C]incess
I will g[G]et to you
By the h[Em]our

[A]I pretend it s now f[D]orgotten
[Hm]It s so easy t[E]o forget
And I m w[D]aiting for the sun to kiss the s[Hm]ea
That s what I want in f[E]ront of me
Yeah w[D]hat I want in front of me[Hm]
Is the image of something g[E]ood
And I h[D]ate to be interrupted[Hm]
In the middle of someth[E]ing good
Leave to w[A]onder
[D]The sc[A]ent of the word[D]
So much that y[A]ou haven t seen or heard[D]
Leave to w[A]onder
[D]I ve been up all m[A]orning
[D]I ve been up all m[A]orning
[D]Have you seen my b[A]aby girl
Have you s[D]een her
Have you seen my b[A]aby girl
Have you s[D]een her
Have you seen her
Have you s[A]een her

[D]Been up all morning
