

Sounds Nice
The September When

Intro: C-G-C-G

 C G C G
I saw this redicillus guy on Tv, he sang a tune
 Am C G D
and I saw his redicillus girlfriend was dancing too

Well this guy he made all the women and children scream
they came from all over the country to hear him sing

Chorus:

 D
And it sounds nice,
 C G
but there`s nothing more to it
 D C G
it sounds nice, but nothing more to it

He looked good with his hear dyed and his makeup on,
no questions bout where he was going or where he came from

In our desperate need for a hero for someone to chair,
just turn on the Tv, believe me there`s someone there.

Chorus:

And it sounds nice,
but there`s nothing more to it
it sounds nice, but nothing more to it

If he was the only star in the galaxy,
then why did he then dissepear so suddenly

Chorus:

Nananana

It sounds nice,
but there`s nothing more to it.
