Move Any Mountain
The Shamen

Intro: **E G A G** (x3)

E   G
A   G   E   G
Move any mountain
A   G   E   G   A   G
Move any mountain

E G A G (x4)

E   G   A   G
I will not fail nor falter, I shall succeed
E   G   A   G
My perception is altered I do believe
E   G   A   G
Faith is so strong now nothing shall bar my way
E   G   A   G
From conviction, no fiction this is my day

E   G   A   G
I can move, move, move any mountain
E   G   A   G
I can move, move, move any mountain
E   G   A   G   D
I can move, move, move any mountain

E   G   A   G
I walk so tall, ascending I stand so high
E   G   A   G
Earth below me we both meet above the sky
E   G   A   G
Asking no fear to be here is, oh, so fine
E   G   A   G
Shining brightly like sunlight inside my mind

E   G
Well not any mountain is capable of movin
A   G
The Shamen and the new generation will approve it
E   G
You can be what you want to be
A   G
Let your soul and your body and your mind be free
E   G
Win every time, we re all that
A   G
Well going all the way is where I m at

```
E                           G
With delivery smooth like water from a fountain
A               G
That s why I can move any mountain

E   G        A      G
I can move, move, move any mountain
E   G        A      G
I can move, move, move any mountain
E   G        A      G
I can move, move, move any mountain
E   G        A      G
I can move, move, move any mountain

E  G  A  G  E  G

A       G        E   G
Move any mountain
A       G        D
Move any mountain

E                 G
Future feeling new sensation
A                       G                       E
Body is rocking and the mind is reeling and a rolling, racing
G
Changing motion
A                 G
Flowing like a river into the ocean
E                       G
Better get yourself ready for the next transition
A                 G
Cause the time is right for a new vibration
E           G
My vision: One Nation, One Tribe
A                     G
One day will come The Mighty; move any mountain

E  G  A  G  E  G

A       G        E  G
Move any mountain
A       G
Move any mountain
E   G        A      G
I can move, move, move any mountain

E                  G
I walk to so tall, ascending I stand so high
A                  G
Earth below me we both meet above the sky
E                  G
Asking no fear to be here is, oh, so fine
```

```
A                        G
Shining brightly like sunlight inside my mind

E    G        A        G
I can move, move, move any mountain
E    G        A        G
I can move, move, move any mountain
E    G        A        G
I can move, move, move any mountain
E    G        A        G
I can move, move, move any mountain

This continues until fade out.
```
