

**I Suddenly**  
**The Sheepdogs**

Song: i. Suddenly (Medley) - The Sheepdogs  
Album: Learn and Burn (2010)  
Made in Canada

One piece of advice is to use the 5th string root bar chord positions for Dm7 and Em.

Also, use the 6th string root bar chord positions for the rest of the chords, including Dm.

Enjoy!

**G**            **F**            **Em**            **Dm7**

**C**            **Bb**            **Am**            **Bb**  
My world at night, Is as quiet as can be.

**C**            **Bb**            **Am**            **Bb**  
A self imposed solitude, isn t half as bad as it seems.

**C**            **Bb**            **Am**            **Bb**  
But lord I sit tonight, and I dream of somebody.

**Am**            **Bb**            **G**  
Who in the world could it be?

**Dm**            **F**            **G**  
Suddenly, I m nowhere I want to be.

**Dm**            **F**            **G**  
Suddenly, You re the only thing I see.

**Dm**            **F**            **G**  
Suddenly, I m leaving you right next to me.

**G**            **F**            **Em**            **Dm7**

**C**            **Bb**            **Am**            **Bb**  
Young deductive thinkers, And university drinkers.

**C**            **Bb**            **Am**            **Bb**  
Living while I stow away, In my studio I sit here and tinker.

**C**            **Bb**            **Am**            **Bb**  
I can t remember when, I saw something through to the end.

**Am**            **Bb**            **G**  
Where in the world could that be?

**Dm**            **F**            **G**  
Suddenly, I m nowhere I want to be.
