

**Laid Back**  
**The Sheepdogs**

Great little jam tune! I literally just threw this together by ear so it s probably not 100% but sounds alright? Let me know if changes should be made. Until then.. keep on keepin on!

**G** **F**  
Wish I knew just what to do when trouble really starts  
**Em** **A**  
You can t hold it in your mind  
**Em** **A**  
You can t run it on down that line  
**A** **C**  
It s not made that way by design

**G**  
I filled it up from your lovin cup  
**F**  
When my back s already against the wall  
**Em** **A**  
I ve been humbled like this before  
**Em** **A**  
You can t walk on out that door  
**A** **C**  
It s not made that way anymore

**G** **A**  
So I m laid back, take me back to where I m laid back  
**A** **F** **Em**  
There s trouble on every track  
**Em** **G** **A#** **C**  
So just keep it laid back  
**G** **A**  
So I m laid back, take me back to where I m laid back  
**A** **F** **Em**  
There s trouble on every track  
**Em** **G** **A#** **C**  
So just keep it laid back

**G** **A#** **C**

**G** **F**  
Wakin time s a weightless time tell me who you really are  
**Em** **A**  
You ve been racing cross your mind  
**Em** **A**

You can't rush to make a dime

**A C**

I'll just idly bide my time

**G**

**A**

So I'm laid back, take me back to where I'm laid back

**A F Em**

There's trouble on every track

**Em G**

**A# C**

So just keep it laid back

**G**

**A**

So I'm laid back, take me back to where I'm laid back

**A F Em**

There's trouble on every track

**Em G**

**A# C**

So just keep it laid back

**G A# C**

[Solo]

**G**

**A**

So I'm laid back, take me back to where I'm laid back

**A F Em**

There's trouble on every track

**Em G**

**A# C**

So just keep it laid back

**G**

**A**

So I'm laid back, take me back to where I'm laid back

**A F Em**

There's trouble on every track

**Em G**

**A# C**

So just keep it laid back

**G A# C**

**G A C**

Laid back, laid back, laid back

**G A C G**

Laid back, laid back, laid back, yaaaaaaaaaaaaahooooo

[Outro]
