	D	Dsus4 A	Asus4
The dust from a four-day affair is now landing			
All over the floor and your brown legs	A	Asus4	D
The gold plated legs of my rival		Dsus4	A
Whose eyes had no reason to fall	A	Asus4	G

	D	A	G	D	A	G
You led no celibate life, no skirt while chemicals danced in your head						
You stole the keys to this ride (and your fables... (pause) are falling	D	A	G	A		
tonight						

Because of your struggle to make them  
Their taste for your past time is fading  
Remember the girls in the middle are always the first to fall off

You ll learn to live like a mouse,  
Searching the cracks in the floor to remember  
All the dregs in the crowd you barely recall
