| You led no celibate life, | | | | no skirt while chemicals danced in your head | | | |

| You stole the keys to this ride (and your fables... (pause) are falling | | | | | | | |

| tonight | | | | | | | |

Because of your struggle to make them
Their taste for your past time is fading
Remember the girls in the middle are always the first to fall off

You ll learn to live like a mouse,
Searching the cracks in the floor to remember
All the dregs in the crowd you barely recall
