Asus2 A

Is it too near when they re nice?
D A E
Is that why there s sand in your eyes?
D A E
You should look up cause they re nothing at all
D A E
Blow me a kiss and I ll try
D A E D
Wade through the mud and return wearing white
D A E
Hanging like clothes on a line
D A E
And I ll wait for you to spend all your time
D A E
Waiting like grapes on a vine
D A E
All of the goals you have yet to design

A
Wheels are off the track
E
I m dripping everywhere
D
Eyes are in the clouds
D
While they pull the rug out
A
Pull me to the track
E
I ll give this a try
D
Down s the wrong way out
D E
Fools himself to climb
A D E
But then you look back and wonder why
A D E
What made it so hard to decide
A D E

When the difference isn't black and white
 A D E
 Will the settled always have to fly for a home
