**The Shins**

(capo 3ª casa)

**B F# E B**  
Girl inform me all my senses warn me  
**G#m Ebm A E**  
Your clever eyes could easily disguise  
**B F#**  
Some backwards purpose  
**E B**  
It s enough to make me nervous.  
**G#m Ebm E F#**  
Do you harbor sighs, or spit in my eye  
**D**  
But your lips when we speak  
**B D B**  
Are the valleys and peaks of a mountain range on fire.  
**D F#m E**  
So let me walk these coals till you believe  
**B E B**  
I can cut the mustard well enough  
**G#m F# A**  
Cause you know as soon as breathe we scrutinize  
**B F# E B**  
Unknown quotients, you must be using potions  
**G#m Ebm A E**  
How else could you tie my head to the sky  
**B F# E B**  
This new convection has left me wondering why  
**G#m Ebm E F#**  
I can t concern myself with ordinary tripe.

( **F# F E** )

**G#m F# E**  
Like what s this morning s paper got to say  
**G#m F# E**  
And which brand of coffee to make  
**G#m F# E B**  
This is no umbrella to take into the wind  
**E B E B F#**  
And before we begin is there nothing to kill this anxiety.

But your lips when we speak
