

Plenty Is Never Enough
The Shins

Cover of Tenement Halls song on Merge's new 20th Anniversary compilation.
Popped this out pretty quick so I didn't bother with proper voicings. Most likely using a capo. Oh, and the lyrics were copy/pasted and I don't think they are all correct. Have fun:

Intro:

B **B/A#**
E
B **B/A#**

Verse 1:

E
Come up with me, love

We'll disappear in the evening light

B
Come up with me, love,
 B/A# E

Into a world that's sparkly bright

That's the way it's for me, love
Takes just a little to give me life

B
That's the way it's for me, love

B/A# F#
Takes just a touch to drop a stop
On the top of the world

Chorus 1:

E B E
One is just too many, yeah

B F# E
You know twenty is never enough

B E
You know one is too many, yeah

B B/A#
You know twenty is never enough

Verse 2 (Same as verse one):

E
Who wouldn't believe, love?
Been like it since the day I was born

B

You wouldn't believe, love

B/A# E

Stuck in a pod like a poisonous dog

E

You wouldn't believe, love

Swim down to the bottom and never come up

B

You wouldn't believe, love

B/A#

Give my last buck just for

F#

A cup after cup after cup

Chorus 2:

E B E

One is just too many, yeah

B F# E

You know twenty is never enough

B E

You know hate we got plenty of

B F# E

It's love that's never enough

B E

One is just too many, yeah

B F# E

You know twenty is never enough

B E

You know hate we got plenty of

B F#

It's love that's never enough

Bridge:

C#m G#m F#

Lie to me sometime

C#m G#m F#

I'll take you home

C#m

Cause it's love to be

D#m

Till the day we'll three

E

We'll spread this seed

F#

In a murdering spree

Chorus 3 (same):

One is just too many, yeah

You know twenty is never enough

You know hate we got plenty of

It's love that's never enough

You know one is too many, yeah
You know plenty is never enough
You know chores we got plenty of
It s love that s never enough

Nice song. Post corrections.
