

Simple Song
The Shins

E B9
Well this is just a simple song

E B9
To say what you ve done

E
I told you about all those fears

E
And away they did run

A B9 A B9 A
You sure must be strong

B9 A
You feel like an ocean

B9 E B9 E B9
Being warmed by the sun

E B9 E B9
When i was just nine years old

E B9 E B9
I swear that i dreamt

E B9 E B9
Your face on a football field

E B9 E
And a kiss that i kept

B9 A B9 A B9
Under my vest

A B9 A B9 E B9 E
Apart from everything, the heart in my chest

C#m B9 E B9 A B9
I know that things can really get rough when you got it alone

C#m B9 E B9 A B9 A
Don t go thinking you gotta be tough, to bleed like a stone

C#m B9 E B9 A B9 A B9
Could be there s nothing else in our lives so critical

A B9 A
As this little hole

E B9 E B9
My life in a upturned boat

E B9 E B9
Marooned on a cliff

E B9 E B9
You brought me a great big flood

E B9 E B9 A B9
And you gave me a lift girl, what a gift

A B9 A
Will you tell me with you tongue

B9 A

And your breath was in my lungs
 And we float up through the rift
 I know that things can really get rough when you got it alone
 Don't go thinking you gotta be tough, to bleed like a stone
 Could be there's nothing else in our lives so critical
 As this little hole
 (A C#m A E)
 (A C#m A A)
 Well this is just a simple song
 To say what you've done
 I told you about all those fears
 And away they did run
 You sure must be strong
 You feel like an ocean
 Being warmed by the sun
 Remember walking a mile to your house, aglow in the dark
 made a fumbling play for your heart
 And the act struck a spark
 You wore a charm on the chain that I stole, special for you
 Love's such a delicate thing that we do
 With nothing to prove
 Which I never knew.
