

Sleeping Lessons

The Shins

Tabbed by: Injulen

Album: Wincing the Night Away

Tuning: Standard

This is my first tab ever, but I really wanted to play this song.

I m pretty sure the key of the song is A Major, but I m not sure.

Basically just strum this chord alot:

A Major

-5-
-5-
-6-
-7-
-7-
-5-

then

```

-----
-|
-----
-|
-----1-----1-----1
-----|
-----2-4---4-2-----2-4---4-2-----2-4---4-2
-----|
--0-4-----4-0-4-----4-0-4-----4
-----|
-----
-|

```

then it seems as if they are using just these two power chords

```

---|
---|
---|
-7-|-9-|
-5-|-7-|

```

I m not positive on any part of this, but this is what I think it is.
