Verse:

**A**  
He locks the exit door. He locks the entrance door  
  
Itâ€™™s Friday night and he is closing out the register.

**G E**  
And he knows thereâ€™™s ten-thousand bucks or more.

**A**  
He takes a look around. He paces up and down.

Heâ€™™s goinâ€™™ round and round and round and round and round and rpund.  
**G E**  
And he knows he could just walk through the door.

Pre Chorus:

**B G**  
But down in the city where the people meet  
**B G**  
Heâ€™™s got a bag load of money on a crowded street and he knows  
**B G**  
Heâ€™™s no dummy and he knows to well  
**B G**  
A life in a prison is a life in hell

Chorus:

**A B**  
So down In Mexico, Well he goes  
**G E**  
And no ones gonna find him. No one  
**A B**  
Down in mexico. Well he goes.  
**G E A E A**  
And no ones gonna find him again.
