And when it comes, tomorrow will be the same

B

We feel the same

D

We re still the same

We stay the same

So when we go out

We always dance the same

We always dance the same

like we did last night

We always stay up

We always stay up late

I m always losing sleep

Like I did last night

Every time we stumble

Every time we fall

Every time we try to make it stop

Every time we stumble

Every time we fall

Every time I feel you re falling apart

I feel like nothing can change, again

we see the same ghost everyday

And when it comes, tomorrow will be the same

We feel the same

We re still the same

We stay the same

(x3)

So when I wake up

I feel the same feeling

The same feeling that I felt last night

Now my bones are cold

and my body aches

Like it did last night

it is that same feeling oh
