

Grace
The Sidekicks

[Verse]

Forget the matches that they sold you
Dmaj7 G
they were used
Em D
stick with your golden hue
Dmaj7 G
now Iâ€™m glowing too
Em G
hoping having a hold on you
Dmaj7 G
doesnâ€™t mean I grow dependent
Em D Dmaj7
Grace was just hoping for heaven
G Em

[Chorus]

G Bb D Dmaj7
you can say anything you want to me
G Bb D Dmaj7
theyâ€™ll use words youâ€™ve never heard
it makes you unsure

[Verse]

D Dmaj7 G Em
Grace got caught in the melting pot but fights it like a dream
D Dmaj7 G Em
in all the lying and the screams, she stays quiet and serene
D Dmaj7 G Em
the adult lifeâ€™s a bonfire burning youâ€™ve got to keep a couple feet away to
keep from
hurting wasnâ€™t at first but sheâ€™s learning

[Chorus]

G Bb D Dmaj7
well you can say anything you want to me
G Bb D Dmaj7
theyâ€™ll use words youâ€™ve never heard
it makes you unsure

[Bridge]

D Dmaj7 G Em
weâ€™ll let old homes, old bones, all down
D Dmaj7 G Em
weâ€™ll let old homes, old bones, all down
D Dmaj7 G Em

weâ€™ll let old homes, old bones, all down
let em all down
forget the matches that they sold to you
