

**All Saints Day**  
**The Silent Comedy**

This seems to be more correct than another version I saw here. A better guitar player could probably make corrections. But this is pretty close.

All Saints Day

No Capo

Intro/Lick: Em/hammer G x 4

**Em**            **Am**            **C/G**            **B**  
I ain t no demon, Lord, look to me please

**Em**            **Am**            **C/G**            **B**  
Good men are sufferin with the evil at ease

**Em**            **Am**            **C/G**            **B**  
Millions of innocents, are born to disease

**Em**            **Am**            **C/G**            **Em**  
Where is our solace, Lord? Oh Lord answer me

Turn Around: Em/hammer G x 4

(Repeat pattern for next verse)

I look to your people, Lord, but they re being cruel  
They sleep with the criminals they aim to recruit  
They raise, in their stadiums, a poisonous brood  
I think they would crucify someone like you

**Am**            **C**  
One day, will this be over?

**G**                            **B**  
Will this be over? Will this be over?

(Repeat until end)

**Em**            **Am**            **G**            **Em**  
I ain t no demon, Lord, But neither were you

Outro: Em/hammer G x 4
