From: mcdonghj@unix2.tcd.ie (Nascent Virion.....)

This is as far as I could get with the intro to Some Kind of Stranger.

```
| | --3--3---5--1---3--1--0-----|
| | --0-----|
| | --0-----|
| | --0-----|
| | -----0-----|
| | -----|
```

The chord sequence at the start is :

**G** // // // // **Am** // **Am7** / **Am** / **C** // **D** // //

I think....

The Chorus is:

**D C B A**

That I hope is enough to get you going....

Something Fast:

~~~~~

**Am** // // **E** // **C** / - Verse

**G** // // **Bm** // **Em** // - Chorus.

End of chorus: Dsus2 slide up 2 frets  
ie

```
e | | ----0--0--0-|
b | | ----3--5--5--|
g | | ----2--4--4--|
```

I was Wrong:

~~~~~

Verse: **B**                    **D**                    **A**  
         **B**                    **D**                    **A**                **E**

Chorus: **B**                    **D**  
         **B**                    **D**
