Something Fast
The Sisters Of Mercy

Bbm   **F**   **C#**
All the things, We never needed
I don t need them now
All the things we ever did, Were always confidential
And hidden from me anyhow

G#   **Cm**   **Fm**
You can stand all night, At a red light anywhere in town
G#   **Cm**   **Fm**
Hailing Mary s left and right, But none of them slow down
G#   **Cm**   **Fm**
Eb
I seen the best of men go past, I don t want to be the last

Bbm   F   C#
God knows everybody needs, A hand in their decision
Some of us are not so sure
I seen his own held out, For a ride on television
I think he s still in Baltimore

G#   Cm   Fm
You can stand all night, At a red light anywhere in town
G#   Cm   Fm
Hailing Mary s left and right, But none of them slow down
G#   Cm   Fm
Eb
I seen the best of men go past, I don t want to be the last
