

Something Fast
The Sisters Of Mercy

Bm F# D

All the things, We never needed
I don t need them now
All the things we ever did, Were always confidential
And hidden from me anyhow

A C#m F#m

You can stand all night, At a red light anywhere in town

A C#m F#m

Hailing Mary s left and right, But none of them slow down

A C#m F#m

E

I seen the best of men go past, I don t want to be the last

G

Bm F# D

God knows everybody needs, A hand in their decision
Some of us are not so sure
I seen his own held out, For a ride on television
I think he s still in Baltimore

A C#m F#m

You can stand all night, At a red light anywhere in town

A C#m F#m

Hailing Mary s left and right, But none of them slow down

A C#m F#m

E

I seen the best of men go past, I don t want to be the last
