

Balls Deep
The Sleeper Pick

I decided I d find you **Am**

Set the record straight, and find a way to get by you **C**

Without sounding like the other guys **D Am**

you know I m you know I m over it all over it all **C D**

You get carried away **D C**

With everything you say, and if there was one ounce of truth in it **C**

baby I could find the time **G F**

To save you from your nightmares **D C G**

and to find out why you showed up here at all **D C G F**

I ve never heard so much nonsense **D**

come out in one sentence just like that and you know **D**

that you ve been told **C G**

by your parents that your lying was a no no **D C G**

with your feelings up and down like a yo yo **D C G**

you made it harder for mine to really show **D C G**

You get carried away **D C**

With everything you say, and if there was one ounce of truth in it **C**

baby I could find the time **G F**

To save you from your nightmares **D C G**

and to find out why you showed up here at all **D C G F G**

A minor **C**

You remind me of the winter time

D

You are cold when you arrive

A minor

C

D

just feel the heat, and melt, and melt

D(listen for strumming pattern)

and I ll drift away

D

C

You get carried away

G

D

C

With everything you say, and if there was one ounce of truth in it

G

F

baby I could find the time

D

C

G

To save you from your nightmares

D

C

G

F

G

and to find out why you showed up here at all
