G * **Cadd9** * **D5** * * *
Well the world is only a stage and Iâ€™m just a man

With a sound caught in his throat and a pick in his hand
Cadd9 * **Em** * **Bm** * *
But when the song comes tumbling out you understand

Thereâ€™s no great demand

G * **Cadd9** * **D5** * * *
Well it s there under your breath, behind your eyes
G * **Cadd9** * **D5** * * *
And you donâ€™t have to say nothing cause I realize
Cadd9 * **Em** * **Bm** * *
That everything somehow in someway e-ventually dies
Cadd9 **D5** * *
It s life in disguise

Em **G** **Cadd9** **Csus2** **D**
It s your room and your board and your fi - re - side
Em **G** **Cadd9** **Csus2** **D**
Itâ€™s a shell thatâ€™s been washed by a mill - ion tides
Em **G** **Cadd9** **Csus2** **D** * * *
And if youâ€™re there you can see just how bright it shines

G * **Cadd9** * **D5** * * *
When thereâ€™s nobody left in your heart, left in your head
G * **Cadd9** * **D5** * *
*

When the whole world has packed up in shadows and left you for dead
Cadd9 * **Em** * **Bm** *
 When you can't fake a smile and you just can't get out of your bed
Cadd9 D5 * *
 When the people you led

Em G Cadd9 Csus2 D
 Turn to you looking so hung - ry and bare
Em G Cadd9 Csus2 D
 And you were the one who had brought them there
Em G Cadd9 Csus2 D * * *
 And all you can do is just stare at your hands and whisper my (name)
