**Cm** |224432|  
**C#sus2** |x30033|  
**Eb** |xx0232|

(3/4 time) (v..^v^)

Intro: **G#** \* \* \*

**G#** \* **C#add9** \* **Eb5** \* \* \*  
Well the world is only a stage and Iâ€™m just a man  
**G#** \* **C#add9** \* **Eb5** \* \* \*  
With a sound caught in his throat and a pick in his hand  
**C#add9** \* **Fm** \* **Cm** \* \*  
But when the song comes tumbling out you understand  
**C#add9** **Eb5** \* \* \*  
Thereâ€™s no great demand

**G#** \* **C#add9** \* **Eb5** \* \* \*  
Well it s there under your breath, behind your eyes  
**G#** \* **C#add9** \* **Eb5** \* \* \*  
And you donâ€™t have to say nothing cause I realize  
**C#add9** \* **Fm** \* **Cm** \* \*  
That everything somehow in someway e-ventually dies  
**C#add9** **Eb5** \* \*  
It s life in disguise

**Fm** **G#** **C#add9** **C#sus2** **Eb**  
It s your room and your board and your fi - re - side  
**Fm** **G#** **C#add9** **C#sus2** **Eb**  
Itâ€™s a shell thatâ€™s been washed by a mill - ion tides  
**Fm** **G#** **C#add9** **C#sus2** **Eb** \* \*  
\*  
And if youâ€™re there you can see just how bright it shines

**G#** \* **C#add9** \* **Eb5** \* \* \*  
When thereâ€™s nobody left in your heart, left in your head  
**G#** \* **C#add9** \* **Eb5** \* \*

\*

When the whole world has packed up in shadows and left you for dead

**C#add9** \* **Fm** \* **Cm** \* \*

When you can't fake a smile and you just can't get out of your bed

**C#add9** **Eb5** \* \*

When the people you led

**Fm** **G#** **C#add9** **C#sus2** **Eb**

Turn to you looking so hung - ry and bare

**Fm** **G#** **C#add9** **C#sus2** **Eb**

And you were the one who had brought them there

**Fm** **G#** **C#add9** **C#sus2** **Eb** \* \* \*

And all you can do is just stare at your hands and whisper my (name)

(4/4 time)

**G#** **C#add9** **Eb5** \*

Elenore Cecil Robert and Mol-ly

**G#** **C#add9** **Eb5** \*

Coco Rudy Maxwell wherever you are

**G#** **C#add9** **Eb5** \*

Elenore Cecil Robert and Mol-ly

**G#** **C#add9** **Eb5** \*

Coco Rudy Maxwell wherever you are

== Haven t bothered working out Outro but it seems to be mostly Cadd9 and Em
