Intro: **F#** * * *

F# * **Badd9** * **C#5** * * *
Well the world is only a stage and Iâ€™m just a man
F# * **Badd9** * **C#5** * * *
With a sound caught in his throat and a pick in his hand
Badd9 * **Ebm** * **Bbm** * *
But when the song comes tumbling out you understand
Badd9 **C#5** * * *
Thereâ€™s no great demand

F# * **Badd9** * **C#5** * * *
Well it s there under your breath, behind your eyes
F# * **Badd9** * **C#5** * * *
And you donâ€™t have to say nothing cause I realize
Badd9 * **Ebm** * **Bbm** * *
That everything somehow in someway e-ventually dies
Badd9 **C#5** * *
It s life in disguise

Ebm **F#** **Badd9** **Bsus2** **C#**
It s your room and your board and your fi - re - side
Ebm **F#** **Badd9** **Bsus2** **C#**
Itâ€™s a shell thatâ€™s been washed by a mill - ion tides
Ebm **F#** **Badd9** **Bsus2** **C#** * * *
And if youâ€™re there you can see just how bright it shines

F# * **Badd9** * **C#5** * * *
When thereâ€™s nobody left in your heart, left in your head
F# * **Badd9** * **C#5** * *

*

When the whole world has packed up in shadows and left you for dead
Badd9 * **Ebm** * **Ebm** * *

When you can't fake a smile and you just can't get out of your bed
Badd9 **C#5** * *

When the people you led

Ebm **F#** **Badd9** **Bsus2** **C#**
 Turn to you looking so hung - ry and bare
Ebm **F#** **Badd9** **Bsus2** **C#**
 And you were the one who had brought them there
Ebm **F#** **Badd9** **Bsus2** **C#** * * *
 And all you can do is just stare at your hands and whisper my (name)
