The Smashing Pumpkins

Blissed and Gone
Tuning: **Eb**

Dsus

The sun has blessed, the rays are gone

Bm

And all the kids have left their tears and gone home

Sweet 17, sour 29

Asus G

And I can't explain myself what I'd hoped to find

Dsus Em Dsus

You were all so kind when I was near

Em Bm

And if you're still feeling down

Dsus Em Bm

Then maybe I need me around

Dsus Em Dsus Em Dsus

To love and hold you, don't say I hadn't told you so

Em Bm

Maybe I need me around

I had no luck, I had no shame

Asus Em Bm Dsus

I had myself and 17 days of rain and you in my eyes

Em Dsus Em

Just one more song to slay this earth

Dsus Em Bm Em

And I can't explain myself just what it's worth

Bm Em

It was all I had

Bm Em

But not all I need

Bm Em Bm Dsus

And I can't escape the fact that I still bleed

Em Bm

And if you're still feeling down

Dsus Em Bm

Then maybe I need me around

Dsus Em Dsus Em Dsus

To lift and scold you, don't say I hadn't told you so

Em Bm Em

Maybe I need me around

Bm Em

Need me around

Bm Em

You need me around

End on Dsus
