Porcelina of the Vast Oceans

By Smashing Pumpkins

From the album Mellon Collie and the Infinite Sadness

Chords by Tim Filla

*Tuning: Db Ab Db Gb Bb eb

INTRO

(I don't know the names of these chords, these are my guesses. But

they're played as shown)

	A2maj	A2min7
eb	-----	-----
Bb	----0-----0-----	-----
Gb	----6-----12-----	-----
Db	----7-----10-----	-----
Ab	----0-----0-----	-----
Db	-----	-----

*In this part, hit the first chord quickly and switch to D. This is much easier if you are in Db tuning, so you can hit the power chord and then strum the open D, A, and D strings. It should be pretty obvious what to do if you listen to the song.
