B E G
Nothing left to say
B E G
And all I ve left to do
B E G
Is run away from you
B E
She led me on, down
G B E
Secrets I can t keep

G B E
Close your eyes and sleep
G B E
Don t wait up for me
G B E
Hush now don t you speak
G
To me

B E G
Wrapped my hurt in you
B E G
And took my shelter in that pain
B E G
The opiate of blame
B E
Your broken heart,
G B E
heart, your heart

B E G
So now I m all by myself
B E G
As I ve always felt
B E G
And I ll betray my tears
B E G F#
To anyone caught in our ruse of fools

B F#
One last kiss for me, yeah
B F#
One last kiss good night

B E G [x2]

A C G F A C G
Didn't want to lose you once again

F A C G
Didn't want to be your friend

F A C G
Fulfilled a promise made of tin

F
Crawled back to you

B E G
Now I'm all by myself

B E G
As I've always felt

B E G
And I'll betray my myself

B E
To anyone lost,

G
Anyone but you

B E G [x6]

A C G F A C G
So let the sadness come again

F E G
On that you can depend on me, yeah

D C E G D
Until the bitter, bitter end of the world, yeah

C
When God sleeps in bliss

B E G
And I'm all by myself

B E G
As I've always felt

B E G
And I'll betray myself

B E G
to anyone.

B E G
Nah nah nah nah nah nah nah,

B E G
Yeah yeah yeah nah nah nah nah,

B E G
Yeah yeah yeah nah nah nah nah,

B E G
Yeah yeah yeah nah nah,

B
Oh...
