

The angel dust

Solo: **Ebm F# B (4x) Ebm**

Ebm F# B

I don't want to be anything believed
A million watts of sound can't compare
Come along you'll see the world
The pulse ripples, the crowd unfurls
The current starts to flow and then you're on

Ebm

B G#m Bbm C#
Oh it's a white hot soul they want, to sing for

F# Fm Ebm
We are the real, if real ever was, and just because

B Bbm G#m
We are the ruins of every living soul

F# Fm Ebm
We are surreal 'cause someone gave us up

Ebm F# G#

B C# Ebm
Don't break the oath

F# G#
I wanna love you when you're happy

B C# Ebm
Don't break this oath

F# G#
I wanna be there when you're sad

B C# F#
Freeze frame the pouring rain

F# C# Ebm
We are the real, as real as any ghost
It's easy now

G#m C# G#m G#m Ebm
We are the real, in every living soul Don't they know?

Ebm F# B
Can't stand the blazing sun?
Can't stand the morning rain?
Get out and take your place again

I don't wanna be alone
I don't wanna be alone
I don't wanna be alone at all

Bb C# D Ebm

F#

If it's a white hot soul they want

Fm G# A Bb
