And we are flesh and blood disintegrate with no more to hate

Gm Dm
Is it bright where you are, have the people changed?

C Gm
Does it make you happy you re so strange?

Gm Dm
And in your darkest hour I hold secrets flame

C Gm
We can watch the world devoured in its pain

(Same chords for other verses and chorus)

Delivered from the blast
The last of a line of lasts

The pale princess of a palace cracked
And now the kingdom comes
Crashing down undone
And I am a master of a nothing place, of recoil and grace

Chorus

Time has stopped before us
The sky cannot ignore us
No one can separate us
For we are all that is left
The echo bounces off me
The shadow lost beside me
There s no more need to pretend
Cause now I can begin again
