(Dm Bb)

HELLO

i am the ghost of troubled joe hung by his pretty white neck
some eighteen months ago
i travelled to a mystical time zone but i missed my bed
so i soon came home, they said:
there is too much caffeine in your blood stream
and a lack of real spice in your life
i said:
leave me alone, because i~m alright, dad
just surprised to be on my own...

Eb	Dm
ooh, but don~t mention love	
Eb	Dm
i~d hate the strain of the pain again	

a rush and a push and the land that we stand on is ours
it has been before so i shall be again
and people who are uglier than you and i
they take what they need and leave

Eb	Dm
ooh, but don~t mention love	
Eb	Dm
i~d hate the pain of the strain all over again	

a rush and a push and the land that we stand on is ours
it has been before so why can~t it be now?
and people who are weaker than you and i
they take what they want from life

Eb	Dm
ooh, but don~t mention love	
Eb	Dm

no, no- don~t mention love

a rush and a push and the land that we stand on is ours
your youth may be gone but you're still a young man
so phone me, phone me, phone me
phone me, phone me, phone me

Eb Dm
ooh, i think i~m in love...
