THE SMITHS- I STARTED SOMETHING

**Am**            **C**    **D**    **Em**                    **Am**            **C**    **D**    **Em**

**G**   **Am**            **C**

The lanes were silent, there was nothing no-one

**D**        **Em**            **G**

Nothing around for miles

**Am**            **C**                    **D**

I danced a friendly venture with a hard-faced, 3-word gesture

Chorus

**Bm**

I started something, and forced you to a zone

**C**            **D**                    **Em**

And you were clearly never meant to go

**Bm**

Hair brushed & parted, typical me, typical me, typical me

**C**    **D**    **Em**

I started something, and now I m not too sure

I grabbed you by the gilded beams... grrrrrr...

That s what tradition means

And I danced another venture with a gesture

That was absolutely violent

Chorus

I grabbed you by the gilded beams... grrrrrr...

That s what tradition means

And now 18 months hard labour

seems..... fair enough.....

Chorus
