B  | -----|
F# | -----|
```

Verse:

these chords are with a capo on 2nd

```
          Am      C      G
I know i need hardly say
          F      G Am      C      G      F G
how much i love your casual way
          Am      C      G
oh but please put your tounge away
F G      Am      C      G F G
a little higher and were well away
```

and so on..
