Verse:

these chords are with a capo on 2nd

```
          Bm      D      A
I know i need hardly say
          G      A Bm      D      A      G A
how much i love your casual way
          Bm              D      A
oh but please put your tounge away
G A      Bm              D      A G A
a little higher and were well away
```

and so on..
