

**We Got The Money**  
**The Snake the Cross the Crown**

This is the basic chord progression, its repeated through out the song.  
The intro and outro are finger picked through the chords with some hammer ons  
and offs. Enjoy.

**G C G**  
**D C G**

**G**  
We got the money but we dont want problems

if we got em then we gotta go home

**C G**

**G:** 320033  
**C:** x3201x  
**D:** xx0232

I might add the intro later if I can get closer to being 100% correct on it.  
Feedback is much appreciated.
