C G/B Am
Oh Sweden I m sorry to say
F G
That you re tedious sometimes
C G/B Am
Your natural beauty is unsurpassed
F G
Your children are healthy and ruddy
C G/B Am
Your recycling facilities are second to none
F G
You re an ethical, peace-loving nation
C G/B Am
You design such great furniture and storage solutions
F G
And mass-produce them too

Am Am/G F
But nobody smiles back at me
Am Am/G F
On the underground on my way to work
Am Am/G F
You re as cold as the Baltic Sea
Am Am/G F
And you close your doors so readily

C G/B Am
But your lakes are so clean for swimming in
F G
Your mountains so white for skiing on
C G/B Am
Your forests are so full of blueberries
F G
Your summers are cloudless sky

Am Am/G F
But nobody smiles back at me
Am Am/G F
On the underground on my way to work
Am Am/G F
You re as cold as the Baltic Sea

Am Am/G F

And you close your doors so readily
